

MOUNT EVELYN FOOTBALL NETBALL CLUB

DRUG AND ALCOHOL POLICY

PURPOSE

The Club maintains a commitment to the responsible service and consumption of alcohol. Please note that under the terms of our licences, alcohol is not to be brought into the clubrooms and must not be consumed outside on any training night or during juniors matches.

POLICY STATEMENT

The Mount Evelyn Football Netball Club (MEFNC) is committed to providing a safe, healthy, family friendly and successful sport environment. All members of MEFNC have a responsibility to ensure that they take reasonable care to protect their own health and safety and that of others whilst in this environment by not being affected by alcohol or other drugs to the extent that it impacts on their own or another person's recreational enjoyment or safety.

DEFINITION

For the purpose of this Policy, the MEFNC defines alcohol and drugs as follows:

- "Alcohol" refers to any beverage, containing an alcoholic content that temporarily impairs a person's physical or mental capacity.
- "Drugs" refers to a chemical substance, whether it is legal or illegal, which may have the ability to impair a person's physical or mental capacity. These can include non-prescribed drugs, for example, (but not limited to):
 - [Amphetamines](#) – Also known as speed, goey, whiz, crystal, meth, base, paste, ice, shabu.
 - [Cannabis](#) – Also known as marijuana, grass, pot, ganja, mull, hash, dope, yarndi, skunk, hydro.
 - [Cocaine](#) – Also known as coke and sometimes available as freebase or crack.
 - [Ecstasy](#) – Also known as E, pills.
 - [Hallucinogens](#) – Includes Magic Mushrooms and LSD (also known as trips, acid, tabs, wangers, microdots).
 - [Heroin](#) – Also known as hammer, H, shit, smack, horse, harry, white, scag, junk, slow, rock.
 - [Steroids \(Anabolic Androgenic Steroids\)](#)
 - [Volatile Substances \(Solvents, Inhalants\)](#) – Includes a wide range of different substances such as petrol, spray paints, some glues, laughing gas (nitrous oxide), butane and other chemicals.
- "Member" refers to any playing or social member associated with the MEFNC, whether financial (fee-paying) or not.

The effects of intoxication and the regular use of or dependence on alcohol or other drugs are associated with impaired judgement and skills, reduced concentration, erratic behaviour, aggression and violence, absenteeism and increased accidents. These behaviours and activities may seriously affect member safety and ethical standards within the MEFNC.

Members who have concerns about playing or associating with any other playing or social member due to possible alcohol or other drug use should consult with the President of the MEFNC immediately.

All members of the MEFNC are prohibited from selling, distributing, manufacturing, possessing or consuming drugs when on the premises of the MEFNC or at any club function. Alcohol will not be consumed by a player whilst they are engaged in a game.

Playing members are prohibited from arriving to a match or returning to a match from any break under the influence of alcohol or other drugs.

MEFNC aligns to the policies in accordance to the Responsible Service of Alcohol (RSA), therefore MEFNC reserves the right to take action if a member is:

- affected by alcohol or other drugs, so as to endanger their own safety or the safety of any other person in the during the course of a match or social club function;
- found in the possession of drugs or unauthorised drug use equipment on the MEFNC premises; or
- affected by alcohol or other drugs, so that the member's performance is affected
- known to be acknowledging significant use or involvement in production of illegal drugs or alcohol via friendship groups, social media, playing groups or family.

Should these issues be brought to the attention of any of the MEFNC Committee members or coaching staff, the MEFNC may take the following action, enacted by any member of the Executive Committee or coaching staff after appropriate and confidential discussion:

- Immediately approach the member to discuss the issue and it's implications
- suspend the player/member from matches or club functions where appropriate until the matter is resolved to the satisfaction of the committee and coaching staff
- remove the member from club functions if they pose a risk to themselves or others.
- Immediately contact emergency services if there is suspicion of a drug overdose at any club function
- counsel the player internally regarding their use of alcohol or drugs
- refer the player to appropriate organisations to address the misuse or abuse of illicit substances;

The MEFNC reserves the right to search its premises for illicit drugs and confiscate the substance in question.

In circumstances where a player is taking medically prescribed drugs to manage a specific condition that may interfere with their playing performance, they are required to notify their coach. The coach, in consultation with the player, may make adjustments to the match requirements of the player concerned.

It is recognised that after match and weekend functions organised by the MEFNC will involve the consumption of alcohol. It is expected that club members consume alcohol responsibly at these times. Use of drugs at these functions is prohibited by the Club. Should it come to the attention of committee members that drugs are being consumed at these times, action will be taken as previously described.

Should players or members be significantly intoxicated due to alcohol use at club functions, the MEFNC reserves the right to refuse the service of alcohol in accordance with the Liquor Licensing Act.

In accordance with the Liquor Licensing Act and Australian law, members of the MEFNC are not permitted to drive a vehicle, whether their own or not, when that person has consumed alcohol or other drugs. The MEFNC will accept no liability for any damage to a vehicle, injury to any person, or damage or injury to any third party, incurred while the driver of a vehicle is in breach of this Act or the law. All liabilities will rest with the driver concerned.
